THE MANY WORLDS OF . . .

Each of us has a world of our own, but
for the last four years, we seniors have shared a wonder-
ful world with friends, teachers, and learning. All shared the
hopeless reality of examinations and deadlines, the semester grades, the
noontime cafeteria rush, the fun, the study, and the sad moments of trial
and error.

As you turn through these pages, the 1969 Livingstonian Staff hope warm
smiles of friendship and many happy recollections will help you realize what a
wonderful world this is.

Tomorrow, when it is not so easy to think back on 1969, we will
treasure the memories this book has stored for us.

Our own world . . .

The World of Study, Thought, and Enrichment

WORK, WORK, WORK!!

The beginning of a model's career.

The World of the Active

Queen of the House

An active student is a busy one, and there are many and varied activities at Livingston Central to make each and every student very busy.

Happiness is being active and busy. That must be the reason everyone at L.C.H.S. has a smile of contentment.

Practice makes perfect.

"She'd rather do it herself."

There are community activities in which L.C.H.S. students take part. There's the annual county fair; there are club meetings, initiations, projects, and conventions.

All these activities make the active student, you.

Student

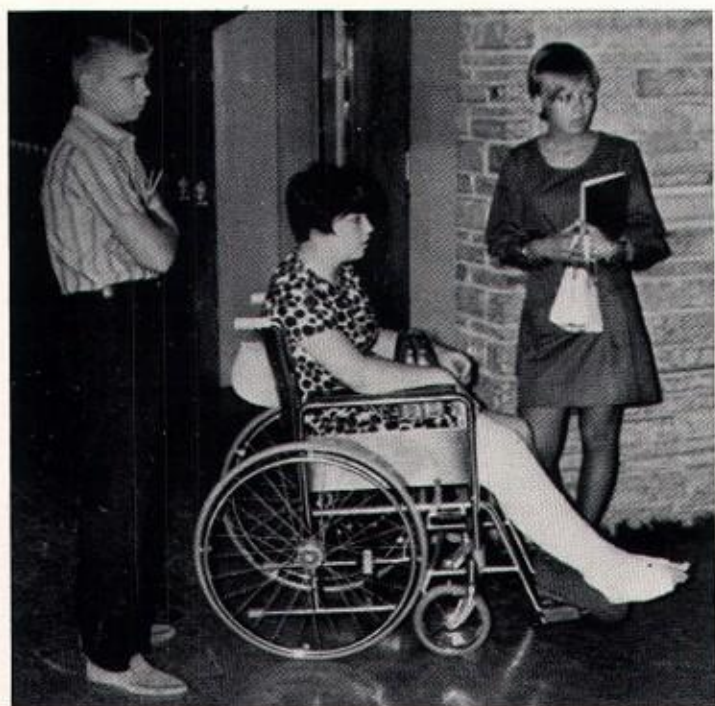

It's a long way to Tipperary.

Sock it to ya!

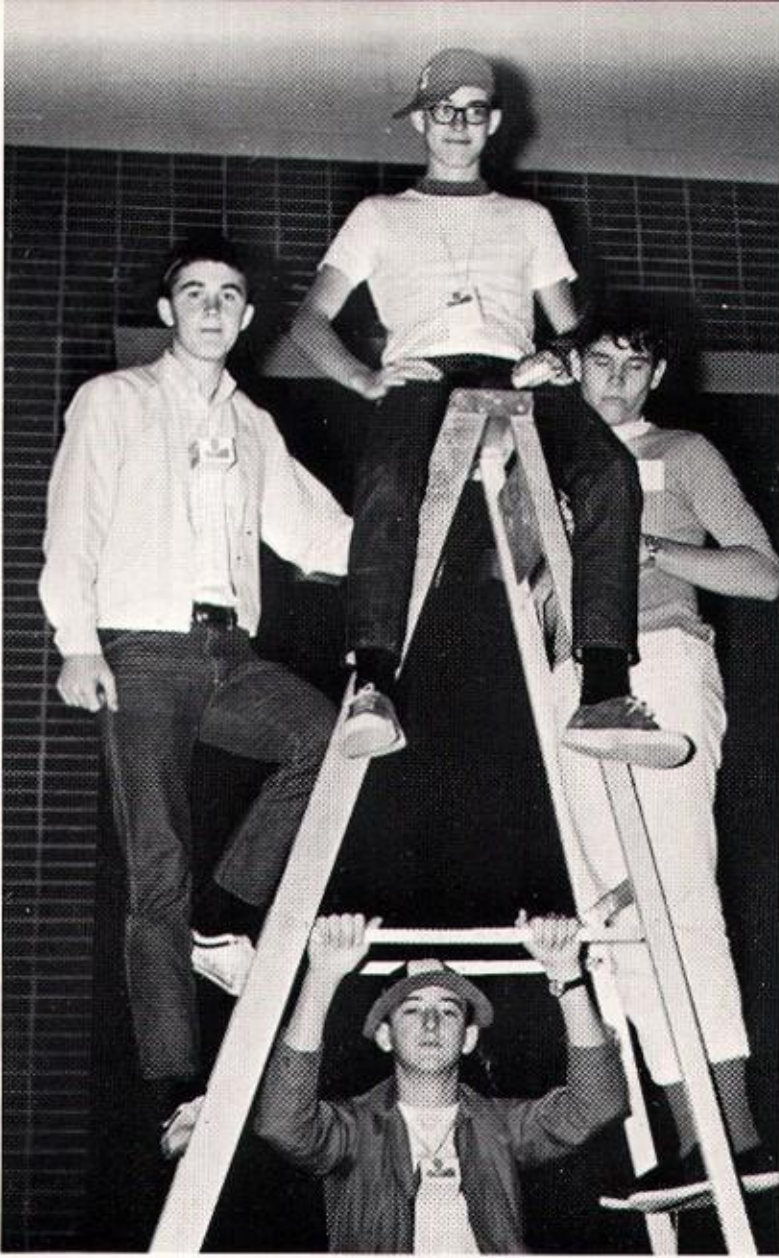

"They won't give me second helpings."

The World of

From the first day of school until the last day, a sense of excitement moves through every Central student. This excitement is achieved by watching the "mighty" Cardinals win another game, hearing the voices from the Pep Club, or participating in club and school functions.

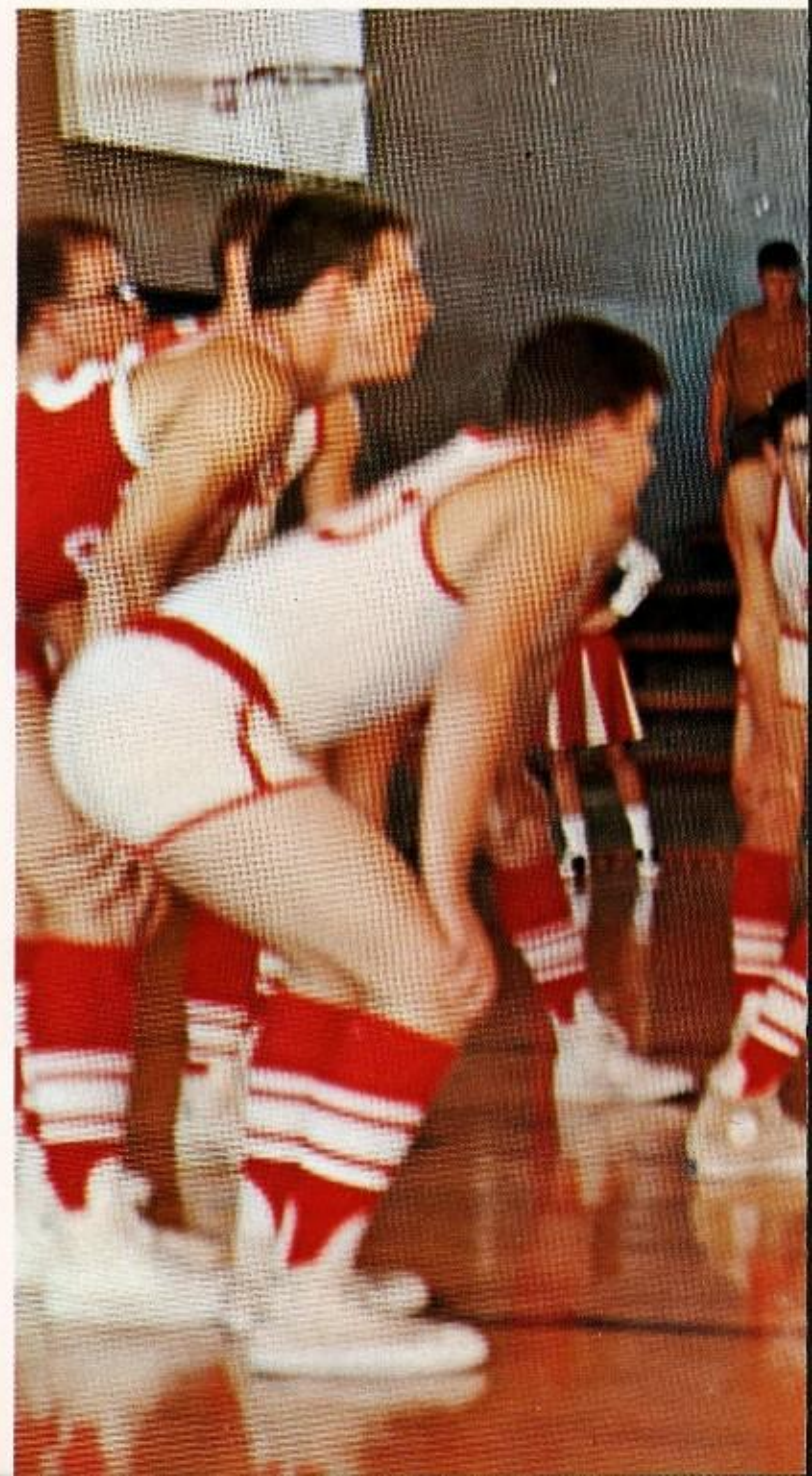

Spirit is the key word to fun and play. Livingston Central has a spirit - A spirit freed by a rousing cheer, a clapping of hands, or a broad smile of victory.

Good grief! Charlie Browns!

"Which way to the Olympics?"

Play and Excitement

"Just blow in my ear and I'll follow you anywhere."

A smile of victory

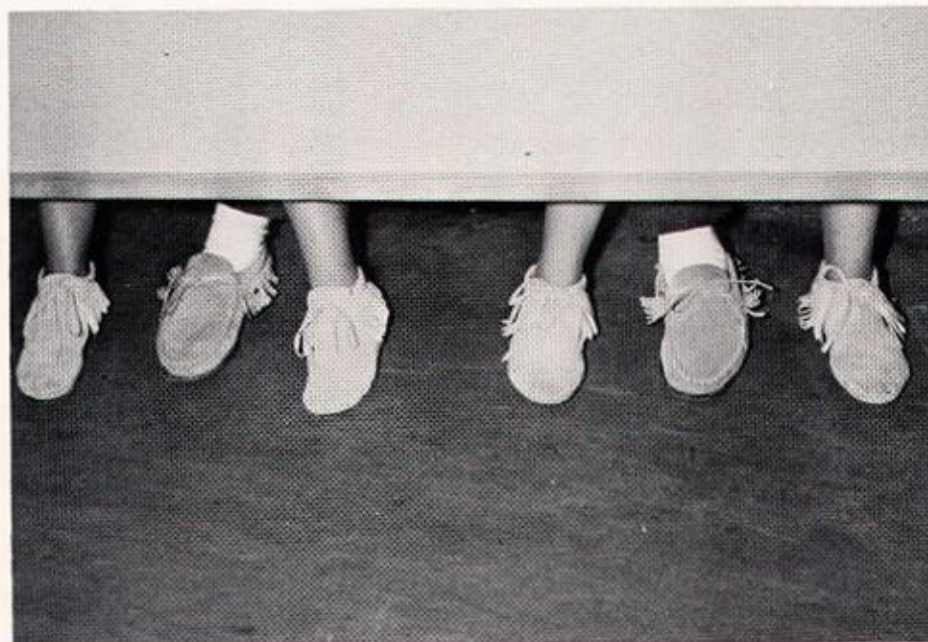

The World of Fun and

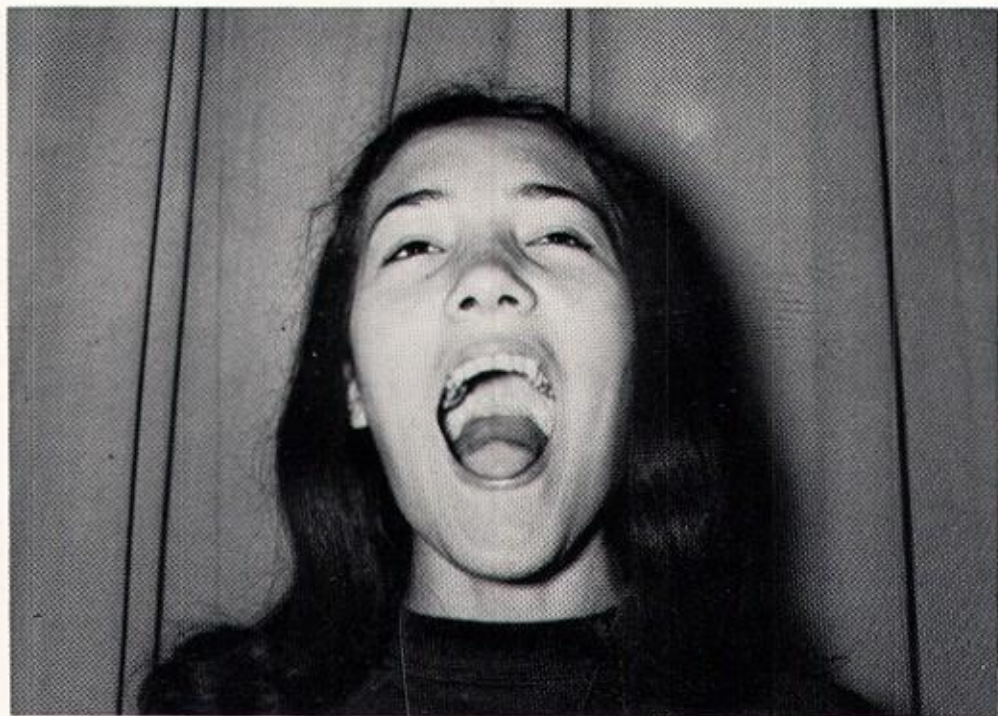

Calories, calories, calories.

Many activities take away from the dull routine of study, tests, and themes. Fun can be found in club initiations, comparing the latest "fads", swapping food at the breaks, and in the Funk & Wagnall's dictionary.

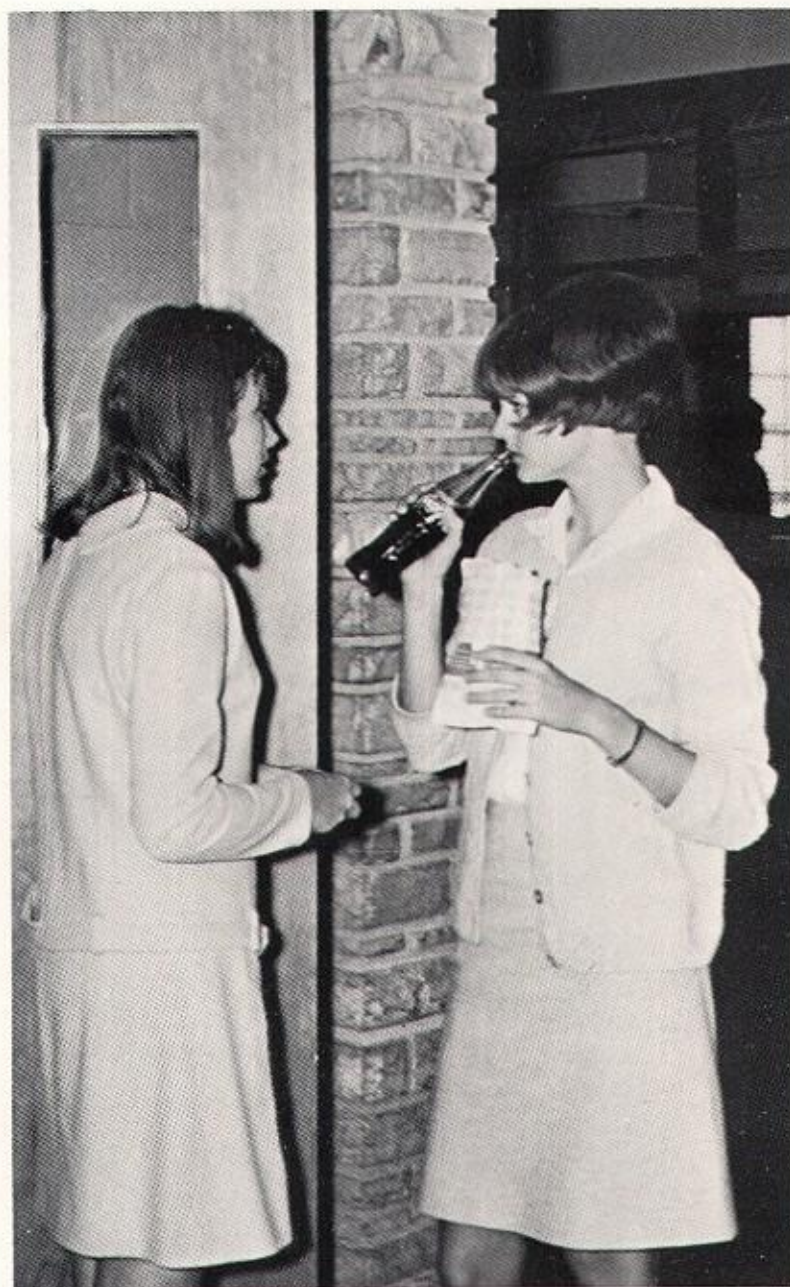

The Odd Couple.

Knowing people, making friends, and having fun go hand in hand with going to school. Each student looks forward to living a new and different day at L.C.H.S. The variety of "happenings" keeps everyone alert and happy.

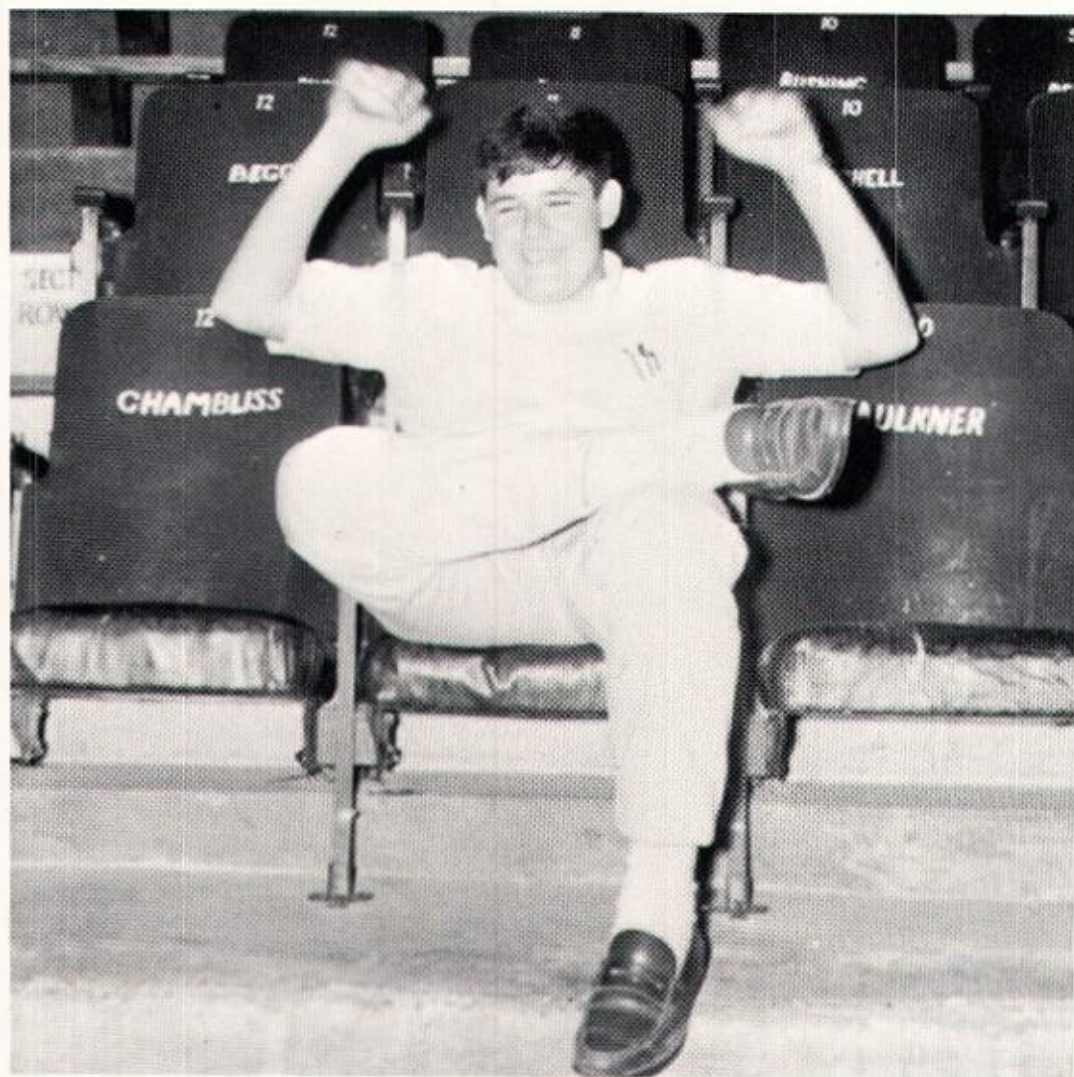

"Look, ma, no cavities."

"I can eat just one."

Socializing

"I want mama."

Why couldn't it have been his mouth?

In Dedication to . . .

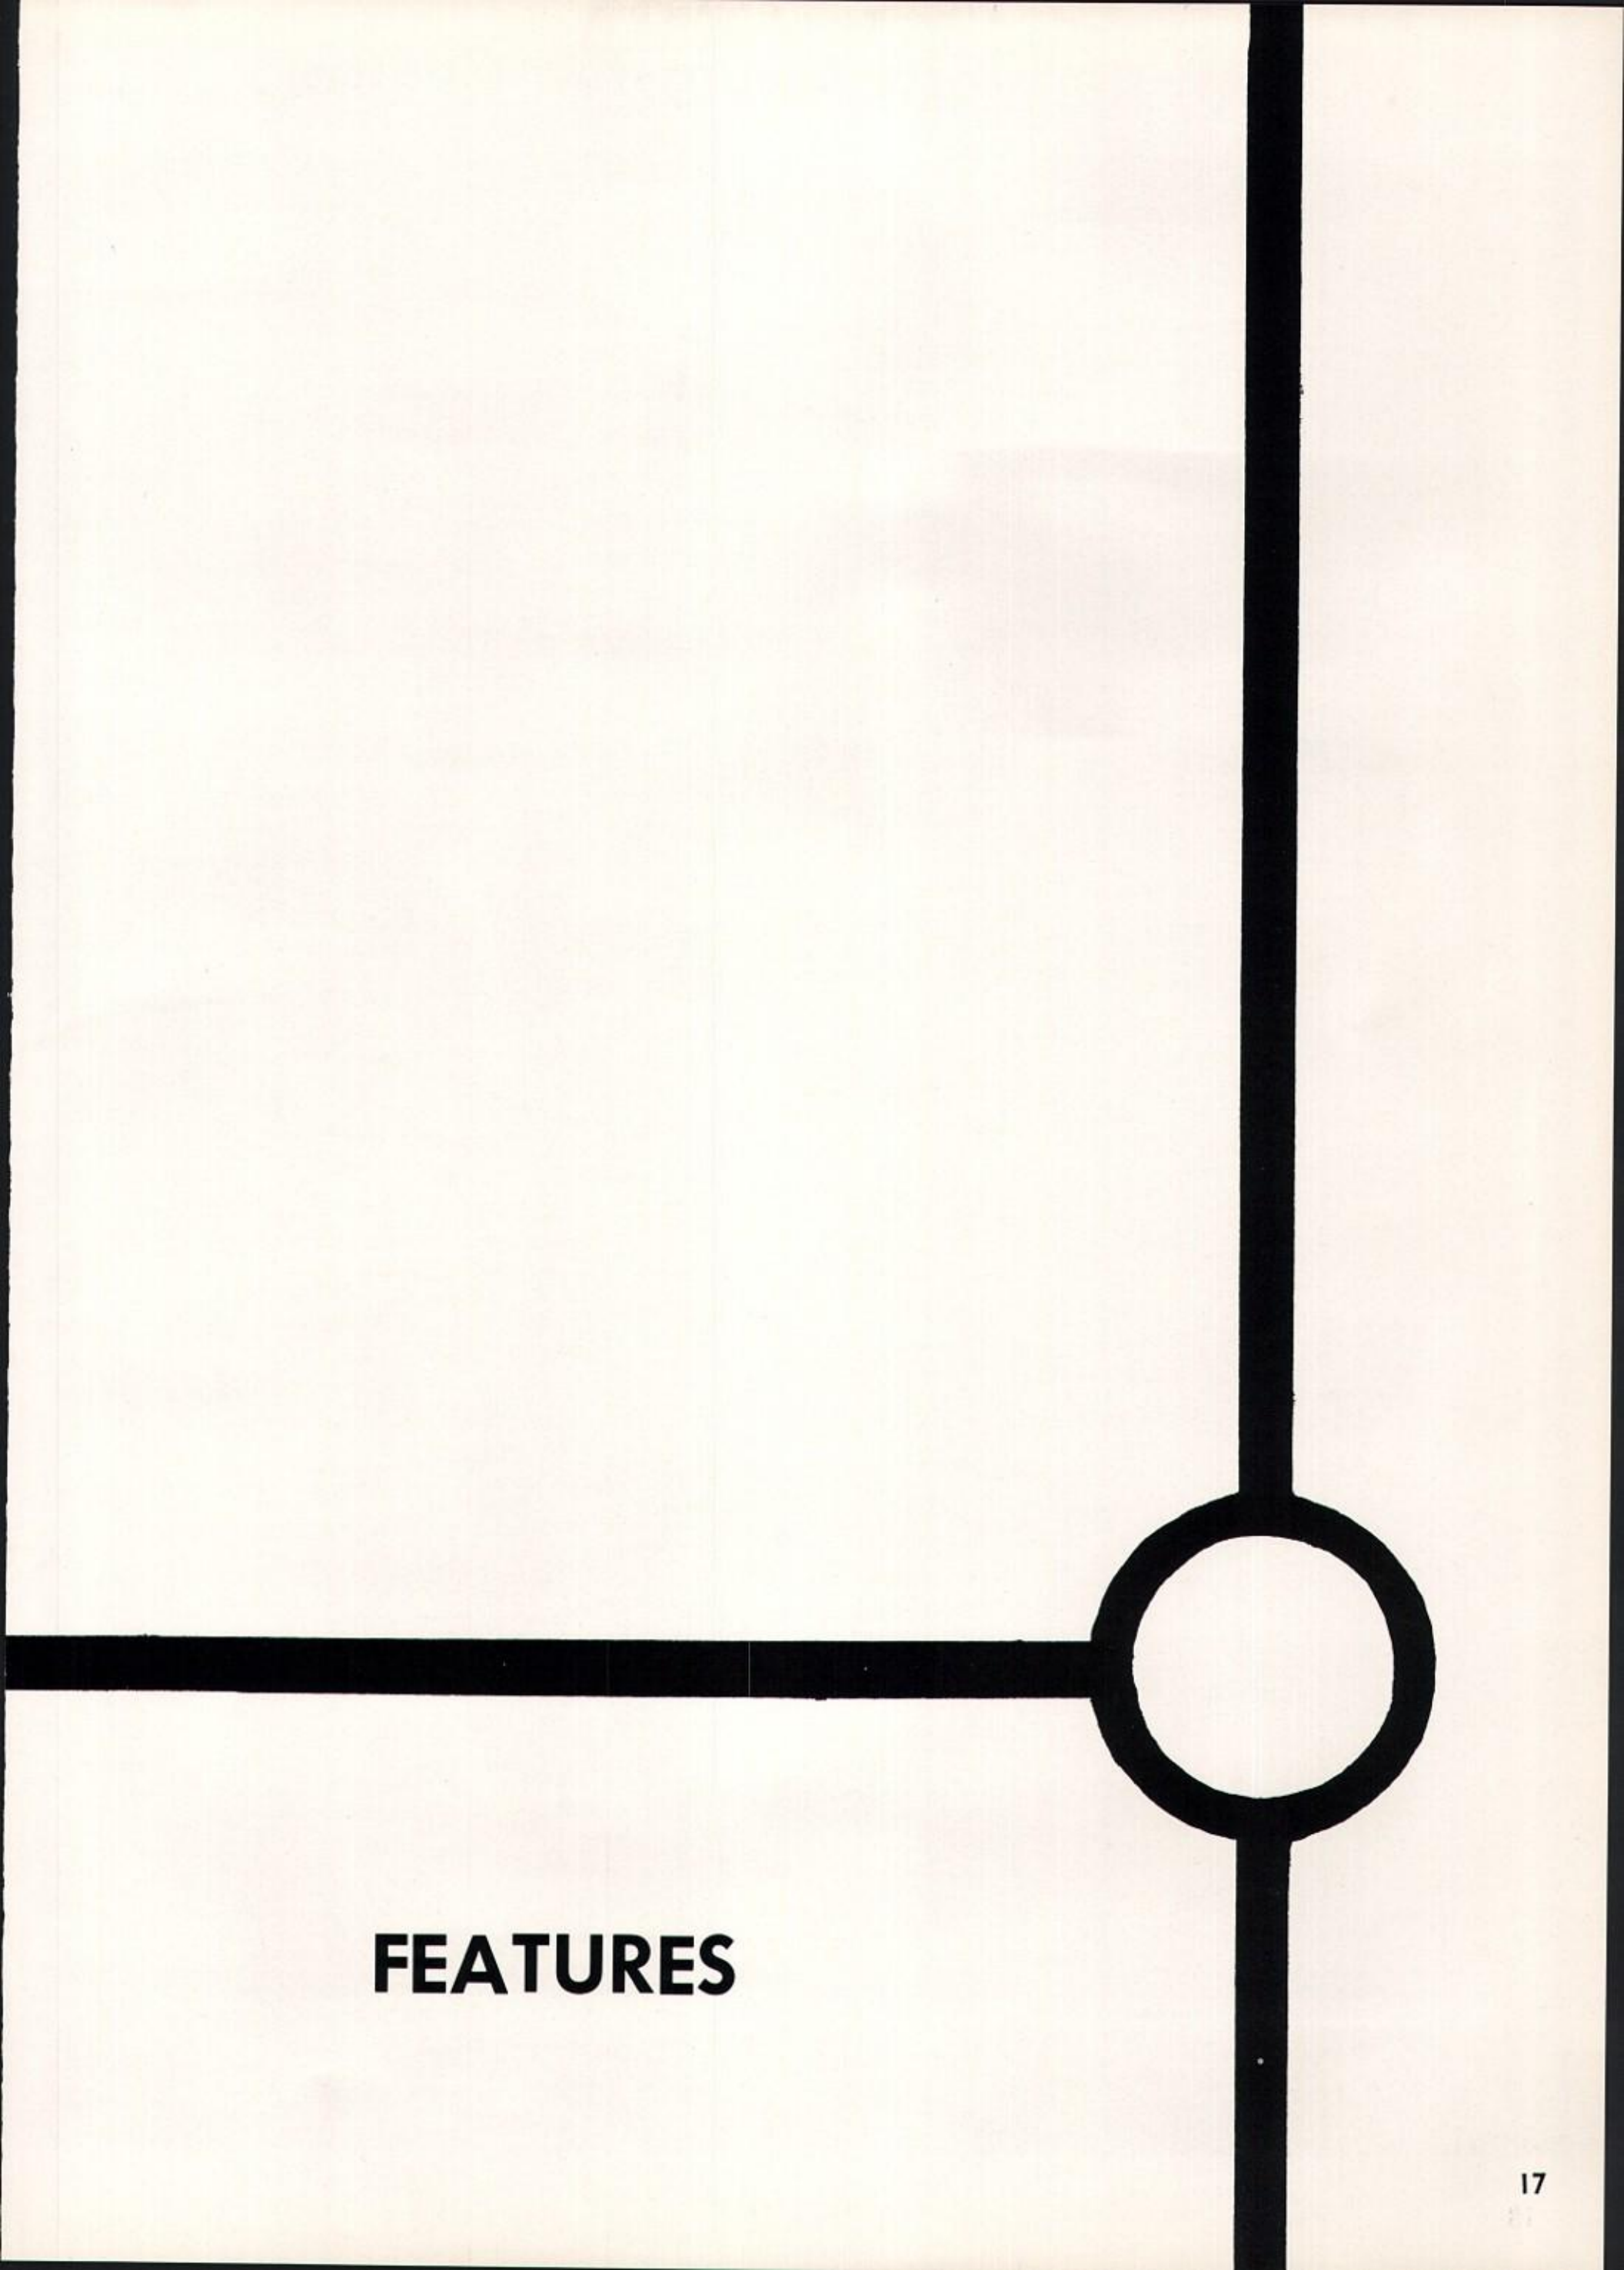

Mrs. Martha Stalions

The Class of 1969 dedicates this year's LIVINGSTONIAN to Mrs. Stalions, whose understanding, concern, and friendship during the past years have aided us in many ways. We appreciate her for her sincerity and patience in making the business department what it is. We dedicate this yearbook to her in the hope that throughout the years to come she will remember our class with fond memories.

Mrs. Stalions, with this dedication we extend our wishes for a golden future in your world.

In Appreciation To . . .

MR. DON RINGSTAFF

It is an honor to pay tribute to a man who has become such a part of Livingston Central. To a conscientious, faithful, and inspiring coach, who has taught "his boys" the importance of strong bodies, keen minds, and a sense of competitive determination, the Class of 1969 wishes to express our sincere appreciation.

MR. JERRY WILSON

We would like to express our sincere gratitude to you for devoting your tireless hours, not only to the basketball squad, but also to the baseball team. We give you our deepest thanks for showing us the spirit of loyalty and teaching us sportsmanlike conduct.

As we have progressed through our world of producing the yearbook, many people have so patiently given us guidance and assistance. Our ad salesmen did an outstanding job of selling ads, surpassing all records of past years. We wish to thank Mr. LaRue for going "above" and beyond the call of duty to answer our requests. And, to Mrs. Mahan, we extend our warmest thanks and most sincere appreciation for acknowledging our every question and aiding us in our every endeavor at putting together this
